Setting the Standard: First Bristol Hotel Earns Hilton's 2025 Award of Excellence

Middletown, RI - Excellence doesn't happen by chance—it's built through consistency, attention to detail, and the people behind it.

At the Hampton Inn & Suites by Hilton Newport Middletown, that commitment is on full display. Developed through a partnership between First Bristol Corporation and Kempenaar Real Estate, the hotel has been recognized by Hilton with the 2025 Award of Excellence—placing it among the top 5% of Hampton Inn & Suites properties nationwide.

Awarded annually, this distinction honors hotels that consistently deliver across the metrics that matter most: guest satisfaction, service, cleanliness, and operational excellence.

But beyond the metrics, this recognition reflects something deeper.

"This recognition reflects the dedication of our team and our ongoing commitment to delivering an exceptional guest experience." said Jeffrey Karam, Co-CEO. *"At First Bristol, we believe excellence is achieved through a combination of strong operations, engaged teams, and a focus on the details that matter most to our guests."*

The Hampton Inn & Suites Newport Middletown continues to stand out not just for what it offers, but for how it delivers. Through consistency, care, and a clear focus on the guest.

This achievement is part of a larger story across the First Bristol portfolio: a commitment to delivering the full package. Where strong properties, dedicated teams, and meaningful guest experiences come together.

Excellence isn't occasional—it's operational.
